| <b>Condition</b> | Very heavy, clean, mellow patina. Some minor scratches and marks to the top and base commensurate with age. The top has 'warped' somewhat. We think this adds to its character but could be clamped by the new owner if desired. |

Here we offer a top quality solid oak refectory table.

~~The top is in the panel form, with the base traditionally constructed with pegged joints and a full length stretcher.~~

It has a medium oak colour, and is very heavy.

The table is about 25 years. It was purchased 10 years ago for £3000.
