

Pair of 19th c. Bronze & Marble Five Branch Putto Candelabras

£0.00

<b>Period</b>	19th c.
<b>Height</b>	48 cm / 19 in
<b>Composition</b>	Bronze, ormolu, marble
<b>Arms</b>	Each candelabra has five arms
<b>Figures</b>	Patinated-bronze putti
<b>Base</b>	Marble
<b>Condition</b>	These are both in extremely good condition with no repairs and no restoration. There is one of the ten detachable sconces missing. Very minor nibbles around the moulded proud section of the marble beneath the putto. These are almost insignificant. The gilding appears to be original. There is a small hole to the left of one of the feet of the figure which appears on the left of our image but again this is not any great issue.

Pair of very fine patinated-bronze candelabras.
