

Early 20th c. French Ormolu Girandole Mirror

£0.00

<b>Period</b>	c.1930
<b>Period</b>	French Louis XV
<b>Composition</b>	Ormolu (gilded brass)
<b>Mirror</b>	Bevel edged
<b>Width</b>	34 cm / 13 1/4 in
<b>Height</b>	74 cm / 29 in
<b>Condition</b>	Very good condition commensurate with age. Piece of ribbon to the middle right broken off (not obvious on inspection). Has been sympathetically converted to electricity with brass bulb holders and traditional cord wire covering. The mirror was working when removed from our customers property, however we would advised it is checked and installed by a qualified electrician.

---

Very nice quality heavy ormolu mirror with protruding candlestick holders.
